What a glorious season to head down to Blackheath Resort Pool to relax on the new lounges in the shade of the new umbrellas, surrounded by the stunning surrounds of the Blackheath Memorial Park and its flowering rhododendrons.

Calling all Blackheathens to ‘Have Your Say’ about the future of the Blackheath Soldiers Memorial Park before 23 November

Blackheath’s Resort Pool is located within the 26.5 acres of the Memorial Park.

It was a ‘people’s effort’ that got the Park started. In 1921 “the newly constituted Blackheath Municipal Council adopted the suggestion of the park as a memorial to the men of Blackheath who served in World War 1.” The rhododendrons were subsequently planted in their honour. (“Blackheath, today from yesterday”, 2005)

Blue Mountains City Council is now developing a Masterplan for the Park and is asking for input from the community to develop this Plan. It will determine how future funding will be used. They are asking for your views on:

- Shades & shelter • Walking & access • Toilets • Water & waterways

- **The RMS commenced work on the Highway Safety Upgrade on Monday 29 October.** Upgrades will occur from Chelmsford Ave to 150m past Sturt St (but no longer in Medlow Bath). Safety upgrades will occur for highway intersections at Govetts Leap Rd, Hat Hill Rd, Hargraves St and Abbott St. There will be a right turn lane into Gardiner Cres. Works are expected to continue until end 2019 (depending on weather) with night work happening from Monday 12 November. We have been informed that noisy work will not continue after 11pm.
