Blackheathens Provide Free Food to Those in Need

Well-known Blackheath identity Murray Reid has joined forces with The Victory Cafe and Blackheath Area Neighbourhood Centre to produce a range of vegetarian meals available for free to those in need. These frozen meals are available for pick up at BANC during opening hours and a gold coin donation is welcome to cover costs. Check out our video!

Blackheath Community Farm

For the last few months, Blackheath Community Farm has been building a large wildlife-proof enclosure so that it can grow a wide range of produce. This has been made possible by Stronger Communities funding and a grant from Slow Food and the Edible Garden Trail.

The Farm is located at the very bottom of Mountains Christian College on land generously made available to the community by the school (entry via gate at the end of Thirroul Ave). The Farm is open on Sundays from 10am to 1pm. A highlight of each Sunday is the large and friendly shared luncheon. All welcome. Phone Lis on 0407 437 553 for more information.

Thank you to Rotary for sponsoring our first newsletter!

This year the Rotary Club of Blackheath is celebrating 75 years of 'Service Above Self'. Blackheath Rotary is very social, and all are welcome to join. Come along for a great night to find out more. Dinner meetings are held at the Blackheath Golf Club every Thursday night at 6.30 for 7pm (dinner optional). Members are passionate about supporting the Blackheath Community as well as Rotary International's major goals:

promoting peace and helping refugees; ending polio and stopping the spread of HIV/AIDS and malaria; providing clean water; saving mothers and children; supporting education; and growing local economies. In the past year the local Club brought back Blackheath's Rocket! To find out more phone Mina on 0419 629 407

There will be a 75th celebration at Blackheath Golf Club at 7pm on 15 December with dinner and great music featuring Kate Woolfe's Big Bad Swing Band.
