

Blackheath's Got Talent! Let's Celebrate it at Our Night of Nights on April 27

The Big Fix Inc. is now a registered charity and will be holding a Gala Fundraising Dinner on Saturday April 27 at Blackheath Golf & Community Club. It will star internationally recognised violinist Asmira Woodward-Page, lyric soprano Taryn Shroj, gifted folk-blues guitarist Martin Foote, and inspiring violinist and teacher Marion Walker, performing with her students.

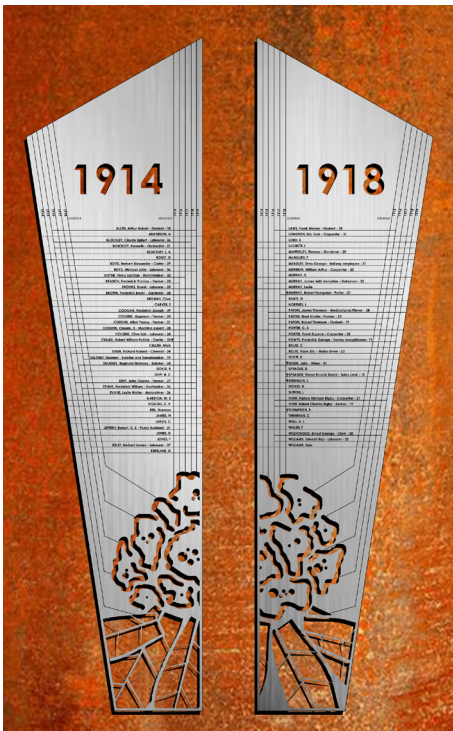

Get your tickets early for a great night out! Tickets available at Richardson & Wrench, Blackheath or ring Lis on 0407 437 553

Dedication of New Blackheath Soldiers Memorial Park Gates on Anzac Day

The gates are a community-funded project organised by Blackheath Streetscape Group to create a monument to the 77 soldiers of Blackheath who served in WW1. They will feature an honour roll detailing the soldiers' enlistment dates, jobs and ages so that they can be recognised as people, not just names on a list. As the background rusts with time, their names will continue to shine.

When landscaping is finished the movable gates will also provide wider wheelchair and vehicle access than the previous gates.

All welcome to the dedication by MP Susan Templeman at 11:30 am on Anzac Day, April 25.
